HENRY WANG

(815) 757-5397 • henry.t.wang@gmail.com • github.com/henrytwang • henrywang.me

OVERVIEW

I am a full-stack web developer with a bent on growth.
My passion is building products that people connect with on a daily basis.
My goal is to focus on both conversion rates and the user experience.

SPECIALTIES

Ruby on Rails, Javascript, jQuery, HTML, CSS, MySQL

EXPERIENCE

DEV BOOTCAMP
Apprentice   2013
- 10-week web development apprenticeship. Full stack web development.

THINKFUL   2012-2013
Consultant
- Remotely implemented site redesign and several lead gen landing pages.

SALES4STARTUPS   2012—2013
Mentor & Speaker
- Joined a team of passionate technology entrepreneurs who love to share their insights around the topic of sales. Conducted evening sales seminars and training for startup companies.

FILEBOARD   2011-2013
Director of Marketing
- Developed Fileboard's product messaging, value propositions, product overviews, white paper, newsletter and marketing strategy. Conducted demonstrations, webinars, and pricing analysis.

ACE METRIX   2011
Analyst
- Responsible for operations including data management, analytics, content review, and survey deployment.

AOL   2006-2008
Social Media Consultant
- Landed my first gig in high school. User growth and content for Netscape.com portal relaunch. Generated content and administered 500,000+ user community.

Education

UNIVERSITY OF ILLINOIS AT URBANA-CHAMPAIGN   2007—2011
